Hello

My name is Jenny Persson and I am the Editor-in-Chief of VeterinärMagazinet - Sweden's largest magazine in animal health care.

VeterinärMagazinet is a platform where the industry's most important players meet to gain insights and inspiration and advice. With seven editions per year and an circulation of 5,200 per edition its the largest magazine for subscribers in the industry - many of them decision makers and purchasing managers.

Our channels are updated daily with relevant news and our newsletter reach 3,200 subscribers every week.

We focus on the people behind the profession - with interviews and articles that bring animal healthcare to life.

In VeterinärMagazinet, you reach a committed and purchasing target group that is actively looking for solutions to develop their businesses.

We look forward to help you to reach the right people, at the right time - in Sweden's largest and most engaging platform for animal healthcare.

Print – formats & prices 2026

VeterinärMagazinet is a valued magazine that I know many people read here at the animal hospital. It is a modern magazine with a stylish, easy-to-read format and well-written articles and reports. I like the mix of news, research and colleagues' experiences while it takes an interest what it's like to be an entrepreneur in our industry."

Marie Jury, veterinarian and manager Väsby Djursjukhus
